**That Woman Is A Success**

*Who loves life and lives it  
to the fullest  
who has discovered and shared  
the strengths and talents that  
are uniquely her own;  
who puts her best into each  
task and leaves each  
situation better than  
she found it;  
who seeks and finds that  
which is beautiful in all  
people . . .  
and all things; whose heart  
is full of love and warm  
with compassion;  
who has found joy in living  
and peace within herself.*

## Unique and Special

The staff of the 1983 Prologue is honored to dedicate these memories to a person "who loves life and lives it to the fullest," Sister Anne Louise Nadeau.

Four years ago the class of 1983 entered through the doors of Sacred Heart University a bit scared, a little lonely, and somewhat confused. We had left the familiar confines of high school and familiar friends to open a new chapter in our lives. We faced new people, new problems, and an uncertain future. For many of us, Sister Anne was the person to whom we turned to for the confidence we lacked, the friendship we needed, and the guidance she offered.

The doors of the campus ministry were open to everyone.

Some students would go there seeking advice or just to talk. Other students would go there thinking it was the new student lounge. But no matter what the reason was for stopping in, everyone was greeted with a friendly smile, and the offer of a hot cup of (free) coffee.

Sister Anne has a quality about her, and it is her compassion, her genuine concern, and her ability to find that which is unique and special in all of us.

Because of who you are, it is our privilege to honor a person who has been so important in our lives. Sister Anne, "you have touched us, and we have grown."

## *Prayer of St. Francis*

*Make me a channel of your peace.*

*Where there is hatred,  
let me bring your love.*

*Where there is injury,  
your pardon, Lord.*

*And where there's doubt'  
true faith in you.*

*Make me a channel of your peace.*

*Where there's despair in life,  
let me bring hope.*

*Where there is darkness  
only light,*

*And where there's sadness,  
ever joy.*

*Oh, Master,*

*grant that I may never seek*

*So much to be consoled as to console.*

*To be understood as to understand.*

*To be loved,*

*as to love with all my soul.*

*Make me a channel of your peace.*

*It is in pardoning  
that we are pardoned.*

*In giving of ourselves  
that we receive,*

*And in dying that we're born  
to eternal life.*

# Anniversary

"How much of our destiny was in that signing we could not know, no more than we could have known then that the signing itself was taking place, that we would ever come to experience that idea, and live that way of life in this place." Below Bishop Curtis signs the University into existence.

GENERATI

# “Beginnings . . . Are Very Special”

Beginnings have always evoked from people an awareness that, of all periods of time, these are very special. We mark the actual moment of beginning with ceremony and commemorate it with reverence. The people and places involved in a beginning naturally merit a certain distinction. Perhaps only those who have shared in the process of a beginning can understand it fully as a time apart from all other times. There is a sense of adventure, the feeling of confidence in and anxiety for success, the challenge of innovation and experiment.

Yet there is another dimension to beginning which manifests itself in the vital, constructive tension between the old and the new. To appreciate Sacred Heart University in its early years, one must understand it as a beginning set in awareness of a special time. Twenty years ago, the Most Reverend Walter W. Curtis, Bishop of the Diocese of Bridgeport, described his vision of higher learning, that it would open its doors to people of every race, creed, handicap, national or ethnic origin. A non-residential school, it would serve all of the people in southwestern Connecticut with an important educational community which would stress excellence in the classroom, and development of character.

The academic objectives of the University continue to be achieved through a wide range of disciplines and services. From the beginning, Sacred Heart University has adjusted and added to its curriculum in response to the needs of the students. It is due to the unending dedication that the University has progressed.

When Sacred Heart began in 1963, the doors were open to 175 eager students enrolled in a handful of majors taught by nine faculty members. Those students knew no older students. The faculty served as the unofficial senior class. When guidance was needed to initiate and organize all extensions of learning outside the classroom, the students found it in abundance. Dr. Anthony V. Pinciario, Sacred Heart's academic vice president and provost, recalls, "it was a exciting time, with a blend of wonderful individuals all driven by the same sense of purpose."

## ON OF VISION

The construction of the library was instrumental to the University's success of attaining accreditation in 1969.

# ION OF VISION

The first 175 students attending Sacred Heart University were in a unique position. The vast majority of students attending college in 1963 became part of schools which already had traditions and a history of development, be it a decade or a century. But the young men and women attending Sacred Heart were the beginnings of its history, and they established traditions.

“The members of that first class of students in 1963 are the real heroes of Sacred Heart University. They came here without any guarantee that the school would be here a year later,” explains Dean John Croffy, vice president and dean of students, “and they had confidence in the faculty and administration. Without these pioneers, Sacred Heart University would not exist.”

The University came of age, June 10, 1967 when in the first commencement ceremonies 112 students graduated, and the charter alumni entered the community to become the University’s original product. By 1968, the University was approaching an enrollment of 2,000, a significant leap forward in just five years. With the dedication of the University library in September 1968, the University’s facilities were developing to meet the increasing demands. From less than five classrooms in 1963, the campus had extended to include the academic center, administration building, and the new library.

A truly historic movement in the annals of Sacred Heart occurred in December 1969, when the University received accreditation from the New England Association of College and Secondary Schools. Dean Croffy relates his sentiments. “I attended the Boston conference of the Association with Dr. William Conley, the president of the school and Dr. Maurice O’Sullivan, the dean of the school, and the joy we felt upon the final accreditation, of being accepted by our academic peers is still one of the greatest thrills I’ve ever experienced here.”

From its beginning, Sacred Heart University has stood as a model for other like-minded private institutions

In 1983, Sacred Heart opened its doors to a new class of Freshmen.

GENERATION

# ***“Sacred Heart University Has Always Remained True to Its Founding Vision”***

The University enrollment has grown to over 5,000 students.

ION OF VISION

in the United States, stressing a quality education at affordable prices, for commuter students. Sacred Heart University has always remained true to the founding vision of the University, to remain a local school. The results of that vision can be seen in the dramatic growth of the school over the past twenty years.

In 1983, Sacred Heart opened its doors to a new class of Freshmen. The student enrollment totals well over 5,000 students majoring in twenty-three undergraduate fields of study, and four programs on the graduate level. The original faculty staff of nine has grown to 339 full and part time members. Sacred Heart University is currently the fastest growing university in the New England region.

Sacred Heart University celebrated its twentieth year with the realization that it had flourished in the past two decades. The University can proudly point to over 5,000 alumni who have taken their place in business, drama, education, law, medicine, ministry, politics, and virtually every walk of life.

This past year the University thanked the community for contributing to Sacred Heart's success by presenting a year-long offering of events — concerts by renowned artists, such as the Waverly Consort, the Muir String Quartet, and the Tamburitians, art exhibits, and lectures by distinguished speakers, Dr. Mary Leakey and Edwin Newman. Two ceremonies were particularly meaningful; one paid tribute to faculty, staff, and administrators with fifteen years of service and a second honored community leaders for exemplifying the meaning of the University.

Sacred Heart University has accomplished much in 20 short years, yet it hasn't strayed from its original purpose — to continue to provide a relevant education, embrace the community and adjust to the needs of its various constituencies. Driven by a desire for excellence, Sacred Heart University's first generation of vision continues to support its unending mission of academic service to the people of southwestern Connecticut.

# Soccer Attains Goal

## POSTS WINNING SEASON

The 1982 soccer team attained the goal it had set for itself by posting a winning season. The final record for this years booters was 10-7-1. In reaching this goal, the team tied a school record for most games won in a single season.

Though the team started off slow, they won 7 out of their last 8 games. In this streak the team defeated 2 teams being considered for the New England playoffs. This was accomplished with a squad made up mostly of freshman.

Leading the way to this fine season was the captain of the team Lawrence Taplah. In his last season, Lawrence led the team in scoring 11 goals-8 assists and was chosen First team All America-Division II for the second straight year. Along with this Lawrence was chosen to the All New England Team for the third time and played in his 4th All New England All Star Game.

Other team members who turned in an outstanding season were Roberto Stewart (junior) and Mark Morazes (soph.) the goalie. Alberto Portela did an outstanding job in the mid-field as a freshman.

## TEAM PUT FORTH GALLANT EFFORT ALL SEASON LONG

The '82-'83 Women's Basketball team under the direction of Coach Pedro Tagatac worked hard at putting together a squad that would be competitive in a very tough league.

# Squad Raises Spirits

## POLISHED AND PRECISE

Under the direction of Coach Lorraine Boudreau, the Sacred Heart Cheerleading Squad carried on its fine tradition of cheers and gymnastics, and added a new "twist" — dancing!

The routines witnessed by the fans at the "SHU Box" were polished and precise, but everyone should realize the amount of time and effort that went into the cheerleading practices that started in September, and continued into the post-season tournaments.

The enthusiasm and spirit that the squad generated helped make every game exciting, not only at home, but at every away game and tournament.

**Bottom Row L to R:** D. Jackson, T. Sciarretta

**Middle Row L to R:** C. Wach, M. Zullo, R. Linley, S. Zacharias, F. Palmieri, T. Coyne, J. Caruso

## "PIONEERS REPEATED THEIR REIGN AS NEW ENGLAND REGIONAL CHAMPIONS"

The 1982-1983 Sacred Heart Basketball Team can only be described as "record breaking." Under 5th year head coach Dave Bike, the Pioneers concluded their season with a glossy 27-5 record, were ranked No. 3 in the nation for Division II schools, and repeated their reign as the New England Regional Champions. The Hearts, host of the quarterfinals of the NCAA Division II Tournament in New Haven, were edged out in their elusive bid for a national title by the University of the District of Columbia, the 1981-1982 National Champions.

The Pioneers were led by the explosive front court of First Team All-America Keith Bennett, Third Team All-American and team captain Rhonie Wright, and 6-8 center Herb Camero, the "Gentle Giant," along with a talented and experienced back court of junior Steve Zazuri and Rick Clark.

Wright became only the fourth Sacred Heart player to surpass the 1,000 mark in both total points scored (1842) and rebounds (1189), while setting a school record for Free Throws by amassing 478. "Magic" Bennett, an All-American for the third time, surprised no one by setting the Sacred Heart All-Time Scoring Record with an awesome 2,431 total points, while showing that he was as consistent as he was talented, by starting in 120 con-

secutive games, another Pioneer Record.

Zazuri, a scrappy playmaker, set a Sacred Heart All-Time Assist Record with 685, and did this in only three years. "Slick" Rick Clark, while usually the 6th or 7th man off the bench, proved to be invaluable, as he was able to direct an unforgettable four overtime New England Regional game against Assumption, and was rewarded by being named to the NCAA New England Regional All Tournament Team.

While the '82-'83 season was the final one for Bennett, Wright, Camero and Clark, there is little doubt that the Pioneers will again find themselves heading for post-season tournaments next year. Returning will be Roger Younger, Mike Robinson, Joe Jackson, Ray Brown, and Keith Johnson. Johnson was a First Team selection in the Sacred Heart Holiday Classic.

Special mention should be made of senior Adolph Ellis. A walk-on his freshman year, Ellis played a reserve role for Coach Bike for 3½ years, and was promoted to Assistant Coach in January of his Senior year. His dedication and enthusiasm is a fine example of the quality that the 1982-1983 Pioneers possessed, not only as athletes, but also as our classmates and friends.

Coach Bike and Captain Wright celebrate Rhonie's 1000th point.

Coach Ellis urging the team on.

Keith goes for number 2000.

Yeah! Way to go, Sacred Heart!

## "Dazzled the Crowd"

Second year head coach John DeSarli led the Sacred Heart University Men's Volleyball team to its first winning season since the team's inception three years ago. Highlighting this past season was the team's sweep of the University of Bridgeport squad in five matches. They also dazzled the crowd at a tournament in Springfield, Massachusetts, by defeating the perennial Division I powerhouse, Boston University. The Pioneers achieved a personal goal by beating their rival Westfield State of Massachusetts.

# Men Baseball: An Outstanding Season

## "Revenged an Earlier Loss"

The Sacred Heart University Baseball Team completed the 1983 season with their best record in four years, compiling a fine 19-13 record. Under second year head coach Joe Rietano, a former Sacred Heart standout, the Pioneers notched up wins against such powerhouses as St. Francis (6-5) and Pace (4-0) and revenged an earlier loss to Quinnipiac, beating them by the score of 5-4.

The steadying influence was provided all year by senior co-captains Angelo Bruno and Tim Miller. Bruno, an infielder, was named to the First Team of the All New England Collegiate conference, by amassing an impressive .427 batting average, while committing only two errors in the field all season.

Miller was the ace of the Pioneer bullpen, capping off a stellar four year career by leading the team with a 5-1 record, and throwing to a miniscule earned run average of 1.85.

The Pioneers can look forward to a successful season next year with such underclassmen as sophomores Steve Chille (.327) and Bob Bettencourt (.291) who have shown steady improvement all season, along with juniors Rich Figmic (.323) and Dom Calise (.282).

# Lady Pioneers Do It Again!

## "Greatness Is Consistency"

It has been said that a sign of greatness is consistency, and if consistency can be used as a measure, the Sacred Heart University Women's Softball Team is as great as they come. For the fourth straight year, the Lady Pioneers were selected to the National Tournament, finishing with a fine 37-5-1 record.

Head coach Pete DiOrio, recognized nationally as one of the top softball coaches, has developed a true powerhouse with some of the finest softball players in the nation. The team was led by second year All American Carol Ball who capped off her stellar career with a glossy 26-5 record, and a 0.34 E.R.A. Pat Suchower, also an All-American selection led the team in hitting with a fine .364 batting average. Also leading the team were seniors Pam Lawry (.259) and MaryHelen McCarthy (.283).

## Sigma Tau Omega

was founded in 1968 by seven young men who wished to promote the ideas of brotherhood and community through a social service organization. They annually sponsor an Appalachia Drive for the poor in the mountainous Kentucky region by collecting food, clothing, and toys.

Being initiated into Sigma Tau Omega is a very rewarding experience. The fraternity sponsors an Associate Brotherhood program in which prospective brothers prove themselves by participating and sponsoring various social action projects. The fraternity feels that this is a rewarding experience because it gives their associate brothers the feeling of helping others while becoming more responsible mature individuals.

The brothers of Sigma Tau Omega have participated in virtually all school functions, being the first campus organization to win Skit Night Competition four consecutive years.

## Extraordinary Honor Conferred Upon

Sacred Heart University bestowed an extraordinary honor upon itself when it conferred its highest accolade, the degree of Doctor of Humane Letters, honoris causa, upon Dr. Mary Leakey, noted paleo-anthropologist, during a special convocation on September 27.

Dr. Leakey offered an address on "The Significance of the Discoveries at Olduvai and Laetoli." The event was open to students, faculty, administration, and the larger Sacred Heart community. The convocation launched the celebration "Generation of Vision" observing the 20th year of the university.

## Edwin Newman Featured Speaker

Edwin Newman, noted author and news correspondent, was the featured speaker at Sacred Heart's Charter Day Celebration. Mr. Newman's address is part of the second Dr. William H. Conley lecture. The lecture is presented annually as a memorial tribute to Sacred Heart's first president.

Charter day is the 20th Anniversary celebration of the University's founding in 1963, by the Most Reverend Walter W. Curtis, Bishop of the Diocese of Bridgeport.

The Inter-Fraternity/Sorority Council sponsored Sacred Heart University's 18th annual Spring Fest Weekend, on April 8th and 9th. Every year, Spring Fest proves to be the most exciting weekend of the school year, and this year's celebration was in keeping with that tradition. The first evening featured the King and Queen Competition and the infamous Skit Night Contest.

The King and Queen Competition this year saw twenty-six organizations each represented by its own King and Queen. The winners were selected on the basis of interviews with the judges and secret ballot by the student body. On hand were Adolph Ellis and Lisa Petruzzelli as host and hostess for the evening, and they provided a charming atmosphere for the

evening's festivities.

Skit Night followed the King and Queen Competition, with eight organizations vying for the top honors. They were Beta Delta Phi Sorority, Pa Sigma Phi Sorority, La Hispanidad, Sigma Psi Delta Fraternity, Nu Epsilon Omega Sorority, the Drama Club, Rho Sigma Chi Society, and Sigma Tau Omega Fraternity. Each year, Skit Night comes to be a showcase for the various creative and artistic talents of the members of the campus organizations, and this year was no exception.

The evening was capped off with a party in the cafeteria. The Inter-Fraternity/Sorority Council was on hand to provide food and beverages. Music was provided by the band "Secret Service."

## MASS "You have touched

The Senior Mass has been traditional start of Senior Week. This year's theme was "You have touched us and we have grown." The mass was a celebration of the family, which has helped us grow.

Chairpeople for the Mass were Anna Polimeni, Lucy Russo, Kevin Fox, and Tom Kelly. They, along with Sister Anne and Father Denny, developed and coordinated the ideas and plans that made this year's celebration so meaningful. One development that is sure to become a tradition was the inception of the Choir, comprised of graduating Seniors, many of whom had never sung in public before, which was under the direction of "the maestro," Sister Anne. What the Seniors lacked in talent, they made up for with enthusiasm.

The Mass was special for many reasons. Besides marking the beginning of Senior Week, it was also an observance of milestones. Father Denny Knurek the celebrant of the Mass, marked his first anniversary at Sacred Heart, and also his fifth anniversary in the priesthood. Sister Anne Louise Nadeau entered Sacred Heart the same year as the class of 1983 back in 1979. She has watched our class grow and mature from Freshman year to graduation.

The reception that followed the Mass reflected the theme of the family as International coffees and pastries were served, in recognition of the diverse ethnic backgrounds of the family of Sacred Heart.

# ...D.J. COCKTAIL

The festive spirit of Senior Week began on Monday night with a semi-formal cocktail party, held in the "university dining hall." Hosted by Ron Nolting and Gary Kubik, the evening featured music by "Double Vision." The crowd of approximately 200 couples really enjoyed the Open Bar, featuring the popular "Sue Vining Six Chip System."

Highlighting the night were the tasty hors d'oeuvres, the smoke machine on the dance floor, and the fabulous decorations. The cocktail party really set the mood for the festivities that would follow.

On Tuesday evening, the Awards Night was held in the Gymnasium. One of the largest events of the year, over 600 people attended including students, their families, and faculty members were on hand to honor those seniors who had distinguished themselves academically or as student leaders. Hosted by Gary Kubik and Debbie Greco, the evening included awards for the highest grade point in each department, the announcement of who would be the Valedictorian and Salutatorian for the Class of 1983. # Harborlights . . . Moonlight . . . Romantic . . .

# Couples . . . COCKTAIL

One of the more exciting events of Senior Week was the first ever Cocktail, or "Booze Cruise." Hosted by Todd "Gulligan" Gallo, the sell-out night featured an open bar, six foot subs and other munchies, with music provided by "Quarry."

The early part of the evening was spent trying to find a place to sit, and trying to stay warm, but when the wind died down, the spirits picked up as the Liberty Belle cruised the New Haven Harbor. This event is sure to become traditional, as every student enjoyed their evening on the S.H.U. "Love Boat."

## BANQUET *Wining . . .*

The most gala event of the entire year was the Senior Banquet held at the Grassy Hill Country Club. The banquet was open to the entire SHU community, and all upper-classmen, under-classmen, faculty, and administrators spent a fabulous evening "winning, dining, dancing, and romancing . . ."

Hosted by Brigitte Michaud and Anne Dalle Ave, choices for dinner included Prime Ribs of Beef or Baked Stuffed Shrimp. Included also was an open bar and Cocktail hour. Music was provided by "Encore" and Seniors were "Step-pin Out" to the tunes!

Toasting . . .

Friday's festivities began at 9:00 with the First Annual SHU Open Golf Tournament, held at the Fairchild Wheeler Course. The Chairpersons for this event were Tom Mastroni and Mike Algieri, and the top three scores were turned in by Duane Ogle, Paul Seperack, and Tom Mastroni. The highlight of the tournament was Ronnie Wright's patented "don't hit the ball over the water hole, hit it *through* the water hole shot."

After the tournament, a picnic followed on the hill with munchies, beer, volleyball, and zim-zam. Hosted by Cathie Corcoran, the "Pioneer Spirit" was evident as a downpour of rain didn't keep the seniors from getting into the partying mood.

# GRADUATION

## Cap . . . Gown . . .

### Diploma . . . Speeches . . . Tassels . . .

The Graduating Class of Sacred Heart University held its Commencement Exercises on May twenty-first nineteen hundred eighty-three. The Honorable Henry E. Parker, Treasurer of the State of Connecticut, gave the Commencement Address.

In this twentieth year anniversary, Sacred Heart University bestowed an extraordinary honor upon itself as it conferred its highest accolade, the degree of Doctor of Laws, *honoris causa*, upon Henry E. Parker, Joseph F. Fahey, Jr., Betty R. Hollander, and Robert J. Matura.

Although the graduation ceremony was held in the gymnasium due to "rainy weather" — no damper was put on the graduates' spirits. In fact, spirits soared high (as did champagne corks) in anticipation of GRADUATING!!!

# ***Alumni . . . Alma Mater . . . GRADUATED!!!***

To all the Sacred Heart family and most especially to all the members of the graduating class of 1983:

God Bless you and guide you in all your future endeavors. May you continue to share His many gifts with all those He will send into your lives. Please keep us in Chiclayo Peru in your prayers.

### TO THE CLASS OF 1983

Your years with the University will be ones that you will always remember. They are the formative years of preparation. They are the years that we never forget.

You enter a world troubled by fast moving and significant changes. High technology and the information era are with us. We accept the challenges of these changes as part of mankind's future movement. While embracing them with enthusiasm, let us remain faithful to the transcendent, permanent values that are part of our Judeo-Christian heritage.

May the choicest blessings of the Father of us all be with you forever.

### To the Seniors;

It is natural for all seniors to look forward to the challenges and experiences that a college education has prepared us for. However, it should be just as natural, and in fact important, for all seniors to look back on the events and people that have helped shape us into who we are and what we will become. To these special people who have shared in our lives, we, the seniors say "Thank-you."

We thank you, our friends, our classmates, for sharing the good times, and helping us to get over the rough times. We will always remember partying together, and the help that was given before a rough test.

We will always be grateful for the times you understood us, when we hardly understood ourselves. We look back on the times we'd get together for a good time, and cherish the moments when you knew we needed to be left alone.

To our fellow seniors, we will always remember. And, we thank you.

I would like to dedicate this page of the yearbook to all those people who without their time, effort and most of all patience with me, this yearbook would not have been possible.

**Student Government** and Budget and Finance . . . without your support (and funding) this book would not exist  
**Security** . . . who let us in on weekends and stayed with us during the "overnighters"  
**Doratheia Doar** . . . for your putting up with my constant barging in and asking for things "now"  
**Linda Moverley** . . . for always coming through when emblems and pictures were needed  
**Dean Croffy** . . . for lending out your slides "indefinitely"  
**John DiCenzo** . . . for supplying us with facts and historical information on the University. It really came in handy for the Anniversary section.  
**Mr. Quinn** . . . for listening and helping, but most of all for catching our mistakes on the proofs  
**Doug Oates** . . . for writing the Soccer article  
**Obelisk** . . . for sharing your photos, and for putting up with our messing up the office and taking it over most of the time  
**Joe Karl** . . . for your "interesting" shots!  
**Cathy Fiehn** . . . for helping out when I was short photographers  
**Cathie Corocoran** . . . for being the "most improved photographer" on the staff — told you you could do it!  
**Tracey Miller** . . . thanks for shooting Mary Leaky and faculty  
**Marty McFadden** . . . for your great pictures  
**Rick Sharp** . . . for your "sharp" eye! I don't know what I would have done without your help!  
**Mary Kay Adhern** and **Sharon Caswell** . . . for your help with the faculty section  
**Linda Docimo** and **Diane Picciallo** . . . for helping with the color section  
**Maria Granata** and **Katy Voldstad** . . . great job with clubs and organizations and for sitting out in the hallways the entire first semester  
**Mike Kelly** . . . thank you for the beautiful job you did on the crests and lettering for the Greek section  
**Karen Lindell** . . . for your exquisite sketch on the memoriam page  
**Debbie Greco** . . . for keeping after the coaches and helping out with sports  
**Henry Egan** . . . for helping out with the artwork in Student Life  
**Donna Aveni** . . . for lending us your photograph of the beach  
**Tony Giugliano** . . . great job with the Senior section and Greeks!  
**Sue Vining** . . . for always keeping on top of the budget (when I wasn't) and for always being there when we needed advice or help. (even if it meant an early preview on pictures!)  
**Christine DeMarchis** . . . thanks for helping Sue Vining help us with the artwork for Student Life  
**Gary Kubik** . . . the latest addition to the Prologue staff, (primarily the caption committee). Thanks for lending us your imagination?!

**Mary Ellen Carella** . . . those fingers are worth a million dollars!! And your services would probably cost me that much if I had to pay for your typing by the hour. Thank God for friendship!

**Fred Palmieri** . . . your fingers are worth a million dollars too! Thanks for all the typing, helping with the Greek section, color section and Student Life

**Kevin Fox** . . . the 2nd to the last addition to the Prologue Staff. Without you this book would be virtually "copyless." Thank you for writing the articles for sports, anniversary section, senior week, captions for the color section, and student life. To the "man with the golden words," thanks so much!

**Stephen Karl** . . . who was always there with his camera when no one else could be — leaving me more time to "socialize!!" I retire my title as "FLASH" to you Steven, good luck next year as co-editor!! And get the other photographers to shoot pictures so you too can "socialize" your senior year.

**Diana-poo DiCenzo** . . . what can I say to my confidant? To the one who shook me out of spring fever, pushed and nagged to finish the book, and kept the book a "G" rating when other staff members were more risque! This book has had its good times and bad, its ups and downs, but I can't think of a better person to work with and bring it all together! Thanks, for the memories, Diana!!

*And I would like to thank everyone else who spent this past year helping to produce the 1983 Prologue! Not everyone realizes the amount of time that goes into the making of this book. And it is because of these people who have spent countless hours that this book has been made possible. And so, I would like to leave you with these words, which reflect your help and dedication.*

*Your life is like a book. The title page is your name; the preface, your introduction to the world. The pages are a daily record of your efforts, trials, pleasures, discouragements. Day by day your thoughts and acts are being inscribed in your book of life. Hour by hour, the record is being made that must stand for all time. One day the word "finis" must be written. Let it then be said of your book that it is a record of noble purpose, generous service, and work well done.*

## FOOTPRINTS

*One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.*

*When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.*

*This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why when I needed you most you would leave me."*

*The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."*
